

**VILLAGE OF OAK BROOK**  
**Plan Commission/Zoning Board of Appeals**

**STAFF REPORT**

**DATE:** February 7, 2019

**CASE NOS:** 2019-02-ZO-OZM

**DESCRIPTION:** Adoption of 2019 Official Zoning Map

**PETITIONER:** Village of Oak Brook

**DISCUSSION:**

The Village of Oak Brook's GIS Consultant has prepared the 2019 Official Zoning Map for review and recommendation by the Plan Commission (PC) and Zoning Board of Appeals (ZBA) for adoption by the Corporate Authorities. The Illinois Municipal Code 65 ILCS 5/11-13-19 requires that a municipality adopt and publish a new zoning map on an annual basis and by March 31<sup>st</sup> of each year. The published zoning map should include and acknowledge existing zoning, boundary changes (i.e. annexations), zoning map amendments and subdivisions that have been approved the preceding year.

Sec. 11-13-19. Except as otherwise provided in this section, the corporate authorities shall cause to be published no later than March 31 of each year a map clearly showing the existing zoning uses, divisions, restrictions, regulations and classifications of such municipality for the preceding calendar year. The first map published in 1960 shall reflect all zoning uses, divisions, restrictions, regulations and classifications in effect on and prior to December 31, 1959. If in any calendar year after the first map is published there are no changes in zoning uses, divisions, restrictions, regulations and classifications in such municipality, no map shall be published for such calendar year. The map published by the corporate authorities shall be the official zoning map. The corporate authorities may establish a fee charged any person desiring a copy of such map. Such fee shall be paid to the appropriate zoning officer and shall be applied to defray the cost of publication of the official map.

For clarification purposes, any changes being incorporated into the official zoning map have already received PC and ZBA recommendations and have also been authorized and adopted by the Corporate Authorities. There is no express legal requirement that the PC and ZBA review the zoning map, but it is nevertheless prudent, particularly considering the role that the advisory commissions/boards play in the zoning amendment process.

The 2019 Official Zoning Map changes include the following:

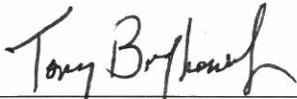

**STAFF REPORT – VILLAGE OF OAK BROOK  
2019 OFFICIAL ZONING MAP  
CASE NO. 2019-02-ZO-OZM**

- Franklin Subdivision - 1900 Spring Road - Zoned B-2 - created 2 lots
- McDonald's Resubdivision No. 4 - 1120 22<sup>nd</sup> Street - Zoned ORA-2 - created 2 lots
- Millers Consolidation Plat - 8 and 10 Carlisle - Zoned R-3 - Consolidated 2 lots into 1
- Wennes Subdivision - 3622 York Road - Zoned R-2 - created 2 lots

In addition to the above, the map also includes specific references to Planned Unit Developments that have been approved for individual properties since 2009 when the Planned Development regulations were approved and added to the Village's zoning regulations. The reference to Planned Developments has been added to the Map Legend and an asterisk/ ordinance number has been added to specific properties that have received these development approvals.

**CONCLUSION:** As such, I would ask that the Plan Commission and Zoning Board of Appeals recommend approval of the Village of Oak Brook Official 2019 Zoning Map and authorize the Corporate Authorities to sign the map and publish in accordance with the Illinois Municipal Code.

Respectfully Submitted,
